

# Legal warranty

Goods which are the subject of a contract must be such that they can be used for the use for which they are normally intended.

A good which is the subject of a contract must be such that it can be used for normal use for a reasonable period, having regard to its price, the provisions of the contract and the conditions of use of the good.

# Return and Refund Policy

We have done everything to ensure your complete satisfaction and that the shopping experience in our Internet store has been a pleasant one.

We have made every effort to ship your products to you as requested. Despite these precautions, the content of your order may not meet your expectations.

Checking your order

In order to verify if you received exactly what you requested when ordering, we ask our customers to quickly check their order. In the event of any problem, we invite you to contact our customer service
